

# Texas Mesothelioma Victims Center Now Offers a Person with Mesothelioma Anywhere in West Texas On the Spot Access to Famed Texas Based Attorney Erik Karst of Karst von Oiste For Much Better Compensation Results

EL PASO , TEXAS, USA, August 20, 2019 /EINPresswire.com/ -- The Texas Mesothelioma Victims Center says, "We are offering a person with mesothelioma anywhere in Texas-including West Texas to call us anytime at 800-714-0303 for an unsurpassed service that offers on the spot access to Texas based famed mesothelioma attorney Erik Karst to discuss compensation, we will also help with medical treatment options and help develop a list of how, where and when a person with this rare cancer was exposed to asbestos.

"The how, where and when a person with mesothelioma was exposed to asbestos becomes the foundation of a mesothelioma compensation claim and this specific information is critically important as we would like to discuss anytime at 800-714-0303. In the event your loved one in Texas with

mesothelioma is extremely ill-we will come to them and we will bring one of the amazing lawyers from Karst von Oiste with us to ensure the list of how, when , and where is complete. The very skilled lawyer from Karst von Oiste will be able to explain the financial compensation process and what a potential settlement amount could be.

“

"Our bottom line is we want a person anywhere in Texas to receive the very best possible financial compensation results and if possible-we want to help a person like this in every other way possible."

For the best possible mesothelioma treatment options in Texas, the Texas Mesothelioma Victims Center strongly recommends the following health care facilities with the offer to help a diagnosed victim and their families get to the right physicians at one of these hospitals:

\* MD Anderson Cancer Center: Houston, Texas: <https://www.mdanderson.org/>. The MD Anderson Cancer Clinic in Houston might be one the best cancer clinic's in the world.

\* Baylor Saint Luke's Medical Center Cancer Center: Houston, Texas: <https://www.bcm.edu/healthcare/care-centers/lung-institute>

\* Dallas Methodist Hospital: Dallas, Texas: <https://www.methodisthealthsystem.org/lungcancer>

The Texas Mesothelioma Victims Center also wants to emphasize their unsurpassed free services are available to a diagnosed victim of mesothelioma statewide including cities such as Houston, Dallas, San Antonio, Austin, El Paso, Fort Worth, Corpus Christi, Plano, Laredo, Waco, Midland, Odessa, Arlington, etc. <https://Texas.MesotheliomaVictimsCenter.Com>

High-risk work groups for exposure to asbestos in Texas include Veterans of the US Navy, power plant workers, oil refinery workers, oil rig workers, chemical plant workers, factory workers, plumbers, electricians, auto mechanics, machinists, and construction workers. Typically, the exposure to asbestos occurred in the 1950s, 1960s, 1970s, or 1980s.

The states indicated with the highest incidence of mesothelioma include Maine, Massachusetts, Connecticut, Maryland, New Jersey, Pennsylvania, Ohio, West Virginia, Virginia, Michigan, Illinois, Minnesota, Louisiana, Washington, and Oregon. However, because Texas is one of the nation's largest energy producing states mesothelioma does happen to very good people in Texas.
