

U.S. Congressman, Chris Stewart and Enclavix CEO, Nicole Toomey Davis in Silicon Slopes panel, A Tech Policy Discussion

July 30, 2019 at Silicon Slopes Event - Farmington, Utah Chapter

SALT LAKE CITY, UTAH, US, July 30, 2019 /EINPresswire.com/ -- Today's Silicon Slopes panel, "A Tech Policy Discussion," will feature U.S. Congressman Chris Stewart and Enclavix President and CEO and VentureWrench co-Creator, Nicole Toomey Davis. The panel will be moderated by Troy Keller of international law firm Dorsey & Whitney. Topics to be covered include privacy law developments, growing your business with federal R&D grants, SBIR awards and government appropriations and Utah's role in DefenseTech.

Chris Stewart is the Congressman from Utah's Second Congressional District. Congressman Stewart's key roles on the House Appropriations Committee and Permanent Select Committee on Intelligence put him in a unique position to represent Utah's burgeoning technology industries. He is also a No. 1 New York Times best-selling and national award-winning author, world-record-setting Air Force pilot, and the former owner/CEO of a small business.

“

Today's panel, "A Tech Policy Discussion" will feature U.S. Congressman Chris Stewart and Enclavix CEO and VentureWrench co-Creator, Nicole Toomey Davis.”

*Moderated by Troy Keller of
Dorsey & Whitney*

The panel will be moderated by Troy Keller of Dorsey & Whitney. He represents businesses in their most strategic initiatives and on their most challenging issues with twenty years of experience in government relations and corporate law.

The VentureWrench team of serial entrepreneurs at Enclavix launched the VentureWrench Startup Community to help accelerate innovation and entrepreneurship, including coaching

The poster features a blue and white color scheme. At the top left is the Silicon Slopes logo. The main title is "TECH POLICY DISCUSSION". Below it, the date and location are listed: "July 30 @ Noon, Pluralsight East Headquarters, Farmington, UT". Sponsors include Dorsey & Whitney (with the tagline "always ahead") and Pluralsight. Partners include Pluralsight. Three headshots are shown: Nicole Toomey Davis, Rep. Chris Stewart, and Troy Keller. Below each headshot is their name and title: Nicole Toomey Davis (President & CEO, Enclavix), Rep. Chris Stewart (US Congressman, Utah's 2nd District), and Troy Keller (Attorney, Dorsey & Whitney). At the bottom, the VentureWrench logo is displayed, consisting of a stylized 'S' and 'W' in a square, followed by the text "VENTURE WRENCH". Below the logo is the text "VentureWrench, Startup Coaching Community".

The VentureWrench Startup Community builds on the AI-powered VentureWrench Library at Library.VentureWrench.com, also free for entrepreneurs, and adds rich content including E-books, checklists, guides, the team's StartupNotes blog, online courses and workshops to help entrepreneurs get to success more quickly. Entrepreneurs can access all of this and more at VentureWrench.com.

About Enclavix, LLC and the VentureWrench Startup Community

Enclavix is an Artificial Intelligence software company that creates online tools to accelerate innovation and entrepreneurship by applying artificial intelligence, machine learning and related technologies to identify and curate the highest quality, most useful resources to coach and support startup entrepreneurs and to tackle intellectual property challenges. The company has received over \$1.2 million in funding from the National Science Foundation through the SBIR program to allow the launch of the AI – powered VentureWrench Library. The VentureWrench Startup Community combines artificial intelligence and advanced software with rich content to help entrepreneurs bring capital into their business, solve problems, answer questions and help them move their business forward.

The startup coaches and creators of the VentureWrench Startup Community, the team at Enclavix, LLC, are experienced entrepreneurs who have started multiple businesses, raised millions of dollars in investment from investors and the SBIR program, and sold their prior company to a public firm. Our CEO has also mentored and provided grant funding for dozens of emerging technology companies through her public service running a State funding program. The team is passionate about entrepreneurship and its potential for entrepreneurs and for the economy.

Enclavix designed the VentureWrench Library to help entrepreneurs find the information they need – from the best resources – as quickly as possible. Enclavix appreciates the support of the National Science Foundation which provided funding for a portion of this work.
