Learn, improve and maintain German language skills while celebrating Austrian, German and Swiss traditions and cultures

GSC WHY GERMAN?

- College is tuition-free in Germany. Students can take advantage of excellent German universities.

- German language skills may be an asset for many undergraduate and graduate programs.

- Ability to speak German may give you an edge in an extremely competitive job market.

Nothing connects us to a country more than its language. Speaking German can help you strengthen that connection while enhancing travel, education and business horizons. Established in 1978, [the German School of Connecticut](http://www.germanschoolct.org) (GSC) – the only professional German Saturday School in CT – provides a high-quality German education program for over 350 children and adults.

As of July 1, 2008, Connecticut students studying World languages in community schools such as

The German School of Connecticut is a private, non-profit school with branches in Stamford and West Hartford, CT. The school was the first German language school in the United States to be selected by the State Department of the German Government to administer the official Sprachdiplom I and II examinations. These exams, which are a pre-requisite to university matriculation in Germany, test the equivalency of ten and twelve years of German language study. The German School of Connecticut receives support from the German government, as well as local businesses and donors. In 2009 the school became one of the 66 US Partner Schools with Germany.
