Description:-

[Consumer Lending Market Canada 2023](#)

lending in Canada continued to expand in 2018. Canadian consumers are carrying more debt, with household debt well above household disposable incomes at the beginning of the year. The rapid growth of credit was curbed

somewhat during 2018 by tightening regulations. Interest rate hikes also seem to show some positive developments in terms of constraining credit expansion. Considered as a key risk, the household debt-to-income ratio slipped slightly in the middle of the year, even though...
