This honor is certainly in large part due to that culture and I congratulate each and every member of our team."

Kirk Kessel elaborated further on the team concept. "In our past lives, we were tech experts, real estate developers, interior decorators, corporate negotiators, digital marketers, community leaders and more. It's a pool of additional expertise from which every client benefits. By teaming up with our exclusive vendors dubbed the CK Creative, we are able to adopt a fresh and innovative approach to marketing no one else can duplicate. We believe our team is the clear choice for anyone buying or selling a home in our market and globally."
