

Corps of Engineers Awards Modular Management Group Modular Building Contract for Next NGA West Integrated Project Office

ST. LOUIS, MISSOURI, UNITED STATES, August 1, 2019 /EINPresswire.com/ -- The [U.S. Army Corps of Engineers](#) recently awarded [Modular Management Group, Inc.](#), a Minority-Owned Small Business, a contract to provide the modular construction and lease of the [Next NGA West](#) (N2W) Integrated Project Office (IPO) in St. Louis, MO.

The 19,333 square foot modular facility will serve as temporary office space for U.S. Army Corps of Engineers, Kansas City District and National Geospatial-Intelligence Agency, during the construction of the N2W.

"We are honored and excited to be working with USACE and NGA on this project" said Hector Rodriguez, President of Modular Management Group, Inc. "We look forward to delivering a successful project that will meet our customer's needs."

The N2W modular building is expected to be occupied in early 2020.
