The National Education Association (NEA) www.nea.org notes that bullying impacts approximately 13 million students every year and some 160,000 students stay home from school each day because of it.

“We want to give every child the best start in school they can get and with over 35% of our local community being Hispanic, we want to help them with tools they can use to overcome challenges like bullying,” said Ms. Tanja Cranton, Executive Director of the Way to Happiness Association Tampa Bay.

After last month’s Back-to-School workshop, a guest told Cranton, “I can understand that it is very important to spend time with the kids because they sometimes get bullied and the education is not always good. I think the kids need more attention at home and we should teach them about respect, tolerance and how to love each other.”

As [L. Ron Hubbard](#) wrote in the Way to Happiness, “If one’s aims in life are worthwhile, if one

carries them out with some attention to the precepts in this book, if one flourishes and prospers, one certainly will wind up the victor. And, hopefully, without harming a single hair on their heads. And that is my wish for you: flourish and prosper!"

Doors to The Way to Happiness Workshop and Supplies Giveaway will open at 4pm and everyone from the Hispanic community is invited to attend.
