A new market study, titled "Global Electronic Data Interchange Software Market Report 2019 - Market Size, Share, Price, Trend and Forecast", has been Published.

PUNE, MAHARASTRA, INDIA, August 5, 2019 /EINPresswire.com/ -- [Electronic Data Interchange Software Market](#)

Electronic data interchange (EDI) is the concept of businesses electronically communicating information that was traditionally communicated on paper, such as purchase orders and invoices. Technical standards for EDI exist to facilitate parties transacting such instruments without having to make special arrangements. EDI standards describe the rigorous format of electronic documents, and the EDI standards were designed, initially in the automotive industry, to be independent of communication and software technologies.
