Delving into the storied past of Perfect World and the denizens within it, the trailer gives players a glimpse of the adventure to come in Perfect World Mobile.

Having already found massive success with its release in China, Perfect World Mobile brings the beloved story, characters, and experiences of the beloved 12-year MMO classic. Recently Perfect World Games announced the [pre-registration](#) for English servers, now European players will have the opportunity to visit Perfect World on iOS and Android devices.

Bringing the long-loved playable races of the original MMO, Perfect World Mobile brings the long-loved playable races of the original to the mobile platform. Players will be able to adventure as the elegant Winged Elves, the agile Untamed, and the technological Humans. Perfect World Mobile features the innovative flight system players have come to love from the original PC version and players will be able to take to skies as their favorite playable race.
