SAN FRANCISCO, CA, UNITED STATES, August 10, 2019 /EINPresswire.com/ -- 1980 Miss Fresno, California Beauty Queen, [Sheila Anthony Shaw](#) hosted a book signing and meet and greet on Saturday, August 3, 2019, her publicist announced today. The engagement took place from 2:00 p.m. - 5:00 p.m. at Hayward, California, City Hall's Rotunda Building.

"The Sheila Anthony Story: A Memoir," chronicles the author's humble beginnings of moving from Houston, Texas to Fresno, California with her mother and four siblings. It covers death-defying events, as well as significant and life transforming accomplishments intended to challenge, educate, and inspire others.

In her memoir, the author covers what it was like to be misdiagnosed by more than 55 doctors and specialists; her year as Miss Fresno County's beauty queen; being slighted by the love of her life days after losing their unborn child; a heartless doctor who rather remove her reproduction organs than address her ruptured appendix, and driving alone across the San Francisco-Oakland Bay Bridge, then suddenly not being able to use the gas, or brake pedals.
