

RISE IN TOURISM IN BALI, INDONESIA

NUSA DUA, BALI, INDONESIA, August 13, 2019 /EINPresswire.com/ -- [RITZ CARLTON](#) reports that the number of tourists in Bali has increased by 50% compared to the same period last year.

"The number of tourists in Bali has increased by 50% compared to the same period last year, according to data from the Bali Tourism Board. This is due to the increasing number of tourists from various countries, including the United States, Europe, and Australia. The Bali Tourism Board also reports that the number of tourists from the United States has increased by 17,000% compared to the same period last year. This is due to the increasing number of tourists from the United States who are interested in the beautiful beaches and culture of Bali. The Bali Tourism Board also reports that the number of tourists from Europe has increased by 480% compared to the same period last year. This is due to the increasing number of tourists from Europe who are interested in the beautiful beaches and culture of Bali. The Bali Tourism Board also reports that the number of tourists from Australia has increased by 17,000% compared to the same period last year. This is due to the increasing number of tourists from Australia who are interested in the beautiful beaches and culture of Bali." said Karim Tayach, Bali Tourism Board.
