FORTIZEL - A Dietary Supplement Tested and Proven since 1999 on 1,000's to STAY HEALTHY

AMSTERDAM, NEVADA, NETHERLANDS, August 14, 2019 /EINPresswire.com/ -- Health News AMSTERDAM : An truly remarkable and exciting dietary supplement is now available to everyone after 18 years of research and testing - since 1999 Fortizel has been tested on 10,000's people, athletes and people with health issues with no negative side effects except increased good health .

Originally developed as a [cancer](#) treatment Fortizel has progressed to a cancer and disease prophylactic. During the past 19 years those who have been using Fortizel have found that their immunity has been improved through cell function normalization to prevent illness, including major diseases and cancer. They simply do not get ill anymore, nor their children. They do not catch viruses or flus.

Top athletes who have taken Fortizel have improved their body performance to maximum natural optimisation in that their bodies physical potential has been optimised to function at its best ability possible.

“

Fortizel provides me with the incredible !”

Dr Michael Borkin

Those with [Diabetes](#) Type 2 are back to normal function without medications in 6 months.

Those with Lyme Disease have had their symptoms reduced and their quality of life restored.

Those with Aspergers have improved their quality of life.

Thousands of personal unsolicited testimonies are available from those who have taken Fortizel over the past 18 years.

How does it Work: Fortizel is a Colostrum Extract which is 40 times more powerful than Colostrum and which normalizes cell function, boosts the immune system and by doing this stops cells mutating to problematic disease or cancer issues.

Developed by Dr Marco Prummer, of The Netherlands, who is the world expert on Colostrum.

To assist in illness prevention an Affiliate Rewards Program has been set up to help to reduce the cost of Fortizel for anyone who wants to live longer illness free.
