

VALiNTRY Achieves Rare Honor with Third Consecutive Inc. 5000 Ranking in 2019

Firm Ranks No. 2229 in 2019 with Three-Year Revenue Growth of 180% Percent

WINTER PARK, FL, USA, August 14, 2019 /EINPresswire.com/ -- Inc. magazine today revealed that VALiNTRY is No. 2229 on its annual Inc. 5000 list, the most prestigious ranking of the nation's fastest-growing private companies. The list represents a unique look at the most successful companies within the American economy's most dynamic segment—its independent small businesses. VALiNTRY joins Microsoft, Dell, Domino's Pizza, Pandora, Timberland, LinkedIn, Yelp, Zillow, and many other well-known names who also gained national exposure as honorees on the Inc. 5000.

"We are extremely proud to once again be honored by Inc. magazine as one of America's fastest-growing private companies," said CEO Daryl Dixon. "Only one in eight companies who make the list are able to stay there for three years or more so, as one of the highest-ranking companies in Central Florida, we are excited to be a part of such a dynamic group of growth-minded entrepreneurs."

Not only have the companies on the 2019 Inc. 5000 (which are listed online at Inc.com) been very competitive within their markets, but the entire list shows staggering growth compared with prior lists. The 2019 Inc. 5000 achieved an astounding three-year average growth of 454 percent, and a median rate of 157 percent. The Inc. 5000's aggregate revenue was \$237.7 billion in 2018, accounting for 1,216,308 jobs over the past three years.

Complete results of the Inc. 5000, including company profiles and an interactive database that can be sorted by industry, region, and other criteria, can be found at www.inc.com/inc5000.

"The companies on this year's Inc. 5000 have followed so many different paths to success," says Inc. editor in chief James Ledbetter. "There's no single course you can follow or investment you can take that will guarantee this kind of spectacular growth. But what they have in common is persistence and seizing opportunities."

As a Salesforce® registered consulting partner and a Google and Microsoft Partner, VALiNTRY was also recently honored as one of Deloitte's Technology Fast 500™, a ranking of the 500 fastest growing technology, media, life sciences, telecommunications, and energy tech companies in North America. Other recent achievements include:

About Inc. and the Inc. 5000

Methodology

The 2019 Inc. 5000 is ranked according to percentage revenue growth when comparing 2015 and 2018. To qualify, companies must have been founded and generating revenue by March 31, 2015. They had to be U.S.-based, privately held, for-profit, and independent—not subsidiaries or divisions of other companies—as of December 31, 2018. (Since then, a number of companies on the list have gone public or been acquired.) The minimum revenue required for 2015 is \$100,000; the minimum for 2018 is \$2 million. As always, Inc. reserves the right to decline applicants for subjective reasons. Companies on the Inc. 500 are featured in Inc.'s September issue. They represent the top tier of the Inc. 5000, which can be found at <http://www.inc.com/inc5000>.
