**Seven Waves:**  
Our tormented protagonist arrives at a beautiful beach. He finds a large and comfortable rock, upon which he sits and watches the seagulls, the clouds, and the waves, as they start out far off in the distance, and become more powerful until they hit the shore with a force thundering and harsh. It is an odd beach in a very peculiar world where time and space don't seem to exist. What's stranger still is when the waves stop in midair....

Even with the surrounding beauty, all that exists are waves. The waves and their stories gently force our lead to contemplate his own life and how he lived it.

After the waves pummel the shore, they become soft and smooth and calm as they lap onto the sand. And they become very revelatory.

He sits and watches and listens as Seven Waves come in, stop, and break, revealing the lies he has told himself, and exposing the shadows of his empty soul.

Only the waves can deliver to him the inner peace, the joyous, connected life of love and forgiveness, instead of the place - the life he had been in, where fear and pain and lies once reigned.

Told as a series of seven stories within one thematic tale, *Seven Waves* offers a path that is inside all of us, to inspiration, reflection and ultimately, love. It is the mystery of a man who is lost, physically, emotionally, spiritually. The Seven Waves and their guardians help him to open his heart, expand his horizons so that he may truly live an honest and authentic life filled with the seven gifts the waves bring.

*Seven Waves* is a beautiful novella that could very well be considered a self-study course on the path to love and forgiveness — though the story is fictional, the universal message lifts, enriches and nourishes spirit and soul.

It is an always timely story, particularly so now, in light of the Presidential candidacy of Marianne

Book Cover "Seven Waves"

Williamson, the author, teacher, speaker who brought "A Course in Miracles" and its message of love and forgiveness to a huge audience around the world through her book "A Return to Love."

Seven Waves is a perfect present this holiday season; a book to turn to each day of each week to remind ourselves of the true gifts and joys of life.

Written by Valeria Lopes, the Brazilian author of Brazil's best-selling Curse of the Werck Family, Volumes 1 and 2, Seven Waves was channeled to Ms. Lopes by one of her spiritual guides, "Old Friend."
