

Registration is now open for the Pre-filled Syringes and Injectable devices Conference 2020

Smi Reports: Registration is open for SMi Group's 12th annual conference and exhibition taking place in January 2020 in London.

LONDON, UNITED KINGDOM, August 15, 2019 /EINPresswire.com/ -- As Europe's leading [Pre-Filled Syringes](#) conference, the 2020 event will assess innovations in device engineering and components, enhancement of human factors, and optimizing packaging and containment.

With the rapid expansion of the PFS market, the regulatory environment is more importance than ever. This year's programme will look at the EU MDR, Article 117 as well as insights into the MDR post-market surveillance requirements; providing a holistic review of the Pre-Filled Syringes industry.

This two-day agenda offers you peer-to-peer networking with Global Product Managers, Senior Pre-Filled Syringes Engineers, Device Testing Managers, Heads of Late-Stage Pre-Filled Syringes Development, Head of Medical Affairs, Senior Director – Combination Products & Medical [Devices](#), Global Regulatory Affairs, Quality Assurance Manager Combination Products, Senior Pharmaceutical Assessor and many more.

BENEFITS OF ATTENDING:

- Learn about the technological innovations that are revolutionizing the [injectable](#) drug delivery space through novel device design
- Debate how can we prepare for the regulatory impact of Brexit and the EU MDR on devices
- Hear industry experts uncovering the latest advancements optimizing drug biologics to improve PFS delivery
- Assess industry case studies exploring how to overcome challenges of extractables and leachables
