

#itsFASHIONdahlings ALL IN A WEEKS WORK WITH #POPSTAR AARON PAUL

NEW YORK, UNITED STATES, August 19, 2019

/EINPresswire.com/ -- Aaron Paul, former front-man and Lead Singer of the Top 10, chart-topping British boy-band, "Worlds Apart," an Arista Records/Simon Cowell discovery, has continued to spread his colorful fabulous fun personality around the country as a solo artist, now simply known as Aaron Paul, and has released his new music video for his latest single, "FASHION" #itsFASHIONdahlings at a public screening, hosted by NYC premier promoter Adam Sands on Aug 14th, 2019 at High Bar, New York, New York.

With a new album (DANCE) in the wings, and armed with a fierce duet collaboration with legendary MTV Fashion Director, Montgomery Frazier "The Image Guru" @sohomuse, to collaborate on a new song he wrote, "FASHION" #itsFASHIONdahlings. From there, the two produced a guerilla/docu-style music video, directed by emerging NYC videographer/director Bryan Griffin, and edited by renown film editor Eddie Nichols.

Frazier, "The Image Guru," added his voice, fashion/pop culture expertise/access and oratorical prowess to Aaron's song. Frazier became Co-Creative Director/Producer on this project. His vocal raps injected such NY iconic social/pop-culture arbiters/luminaries such as George Wayne, Michael Musto (VillageVoice/W) to the roster of many other NYC pop icons, celebrities and "tastemakers," like Vogue Empress Anna Wintour, with homages to heiress/fashion icon-global DJ and entrepreneur Paris Hilton, and other references to fashion model Karli Kloss, designer Cristian Siriano from the rebooted "Project Runway" and "Pose's" Prince of Poseurs, Billy Porter.

The fashion pair screened their exciting new music video fueled with enough fashion and music to titillate and satisfy every taste bud in the packed house. Attended by an high energy crowd and many of NYC social scene and nightlife. All gathered at this hip Manhattan rooftop soiree to watch this very anticipated and much talked about video release. Dressed in his British flag countrymen ensemble, with red tartan pattern pants, shin-high laced Dr. Martins boots, with British flag toe tips. A man and rock star true to his UK roots Aaron continued his flamboyant persona, and own unique style, and finished his look by adding a black net mini tutu over his waist, which certainly was a crowd delight and a topic of conversation that fed fashion-conscious guests, which included fashionista's [Pamela Morgan](#), Deborah Twiss, Ben Mindich, Walter Greene, Lisa Holte, Carmon ColanBronxink, Jannie Wolfe, Shelly Bromfeild, [Avadora Mimouni](#), [Ivonne Camacho](#), Ebby Antigua and actor Andres James Bleidner.
