WiseGuyReports has added new market study to its database, titled "2019 Global and Regional Log Managements Market Research Report Forecast 2025".

PUNE , MAHARASHTRA, INDIA, August 20, 2019 /EINPresswire.com/ -- Report Description:

The global market for Log Managements was valued at USD XX Mn in 2018 and is expected to surpass a valuation of USD XX Mn by the year 2024. The market is expected to witness a compound annual growth rate (CAGR) of XX% during the assessment period (2019-2024). Luggage retail is viewed a high-growth sector across the global. Global sales of luggage or baggage, which include suitcase, backpacks, containers among others have continued to grow over the years. This is a major driver of the market. Growth of the global tourism industry is also influencing the demand for luggage. Modern travel system makes luggage an essential commodity for travellers or passengers. There has been tremendous change in luggage design over the years.

Luggage have come a long way from the typical trunks or chests which were made of wood or other heavy materials. Moreover, technological advances in the aviation sector along with better accessibility has leading to a higher number of travellers. As more and more individuals are opting to travel the world, the tourism industry grows further. The nature of travelling has also changed, which has created the need for a broader range of luggage such as smaller handbags, trolley bags, etc. The changing consumer preference is prompting market players to expand the range of products. Modern luggage designs are much more fulfilling catering to various trip necessities.
