Key Players of Global Cocoa Market =>
The global telepresence robots market comprises a host of key players. This includes names like The Barry Callebaut Group, Jindal Cocoa, The Hershey Company, Nestlé S.A., Cargill Incorporated, Puratos Group, Carlyle Cocoa, Cémoi, Mars, Incorporated, Blommer Chocolate Company, Meiji Holdings Company, Ltd., United Cocoa Processor, and others.

Cocoa is a mixture that remains after cocoa butter is extracted from cacao beans. Cocoa is one of the key ingredients in chocolate, chocolate confections and syrup. Increasing preference for better flavor, color and texture is also driving demand for cocoa as a coloring agent. Cocoa is also rich in flavonoids and several minerals. New process of manufacturing cocoa is being adopted on a large scale as the amount of flavonoids depends on the processing.
Growth of the global cocoa market is mainly bound by various macro-economic and micro-

economic factors. Consumption of chocolate products and related food products continues to simmer as an important ingredient for production of baked products, sweet dishes and beverages.
As it is rich in minerals and vitamins, manufacturers are increasingly witnessing demand for cocoa for the production of soaps and cosmetic products. Attributed to various health benefits, demand for cocoa is expected to remain high for the production of scrubs, ointments, creams, facial masks, face toner and lotions. In addition, increasing production of personal care products is further expected to derive demand for the cocoa in the food and beverage, and cosmetic industry significantly.
