PUNE, MAHARASTRA, INDIA, August 21, 2019 /EINPresswire.com/ -- [Bike Sharing Market](#)

Bike Sharing is a service in which bicycles are made available for shared use to individuals on a short or a long-term basis for a price or free. Over the past decades, bike sharing systems have been significantly used across the globe. After 2017, the number of bikes sharing programs across the globe has doubled since 2014 and nearly 20 times as many bikes available for public use. The first bike sharing program has started in Europe in 1965 but presently Asia-Pacific captured the largest share in the global bike-sharing market. China has been contributing to the highest share in the Asia-Pacific market over the past two years. Mobike and Ofo are the two biggest bike sharing companies in China capturing more than 60% of the country's market in 2017.
