mission, vision, core values, strategic priorities, and growth goals.

Erynn Kirshner has over twenty years of experience in developing and delivering technology driven solutions, providing top tier client service, raising and empowering leaders, implementing companywide strategic initiatives, and delivering operational excellence. Her list of accomplishments since joining Restaurant Magic includes the implementation of DevOps practices, establishing an agile development framework, designing controls and processes that led to being SOC certified, and driving company growth through the retention clients and additional service lines.

As COO, she will draw upon her extensive experience in management and technology to accelerate the growth of Restaurant Magic. Prior to joining Restaurant Magic Software, Erynn was a Technology Senior Manager for Protiviti, a global consulting firm. At Protiviti she managed top-level accounts and facilitated over \$4 million in revenue. Mrs. Kirshner attended the University of Florida and earned a Bachelor of Science Degree in Finance with a minor in Economics followed by a Master of Science Degree in Decision Information Systems. She is active in charities that are close to her heart including Metropolitan Ministries, St. Jude's Children's, Wounded Warrior Project, Global Leadership Development, and ASPCA.

"Erynn is a key contributor to our success and continues to exceed our expectations," said Drew Peloubet, CEO of Restaurant Magic. "She is truly dedicated to her role of ensuring the success of our teams, clients and business. We look forward to her future as the COO of Restaurant Magic."
