As a company spokesperson and Founder Sami Spiezio noted, the team from Canna

Group LLC is proud to offer viable payment solutions that will allow high risk merchants including start-ups to accept all major credit cards.

For example, for online CBD merchants who are looking for reliable payment processing options, Canna Group LLC offers a number of choices including check processing, E-Wallet and traditional processing, for 100 percent topical CBD sellers only. For existing merchants who have \$50,000 or more of verifiable history, Canna Group LLC is now also offering the traditional payment processing option.

For merchants in the retail CBD arena, Canna Group LLC offers a cash back PIN

debit option for customers that use a debit card; a POB for debit users, and an E-Wallet choice for those paying with a Visa or MasterCard.

Merchants in the MMJ industry will also find three payment solutions through Canna Group LLC: the cash back PIN debit option for customers with a debit card; the POB for debit cards and the E-Wallet option for a full line of credit cards.

Medical Payment Processing Solutions

Finally, MMJ related businesses, including established and start-ups, can opt for the traditional processing payment solutions for their company.

Partnerships with our country's largest payment institutions, Canna Group LLC will continue to provide the current and state-of-the-art payment solutions, as they are made available; an continues to audit their clients' accounts to make sure they have the best solutions available today.

In addition to offering multiple payment solutions and help in obtaining a high risk MID, Canna Group LLC can also assist businesses with less than stellar credit to get the loan they need.

"No business should have to fail because they can't get access to traditional loans. CGLLC understands this, which why it works with businesses that have bad credit, no credit, have filed for bankruptcy, or has unresolved tax liens," the spokesperson noted.

About Canna Group LLC:

At Canna Group LLC, merchants will find a committed team of experts ready to help their business succeed by giving them the ability to accept credit cards - no matter what business they are in. They are leaders in the field and have been helping merchants improve sales and customer satisfaction since 1992. Canna Group LLC offers Domestic Payment Processing Solutions for the hardest to place merchants, and their merchants really appreciate that they do. This includes all major card brands for even harder to place merchants such as CBD and MMJ related industries.

Canna Group LLC is also a Full-Service Merchant Processor ISO Provider. For more information, please visit [www.gethighrisk.com](http://www.gethighrisk.com).
