“My passion for weddings comes from my family story that started in Italy, and I am proud to continue the family tradition,” says Tutera. “My grandfather owned a flower shop and was quite successful designing the flowers for weddings. My grandmother was a seamstress and made

sure every bridal [gown](#) was fit to perfection. My aunt owned a bridal boutique selling and making wedding gowns including my mom's wedding gown. I guess making weddings special is in the family genes. It is with great pride and excitement that I bring the beauty and style of fashion to the world of weddings.”

“I have been part of the wedding business for over 30 years, from fashion to flowers and everything in between,” adds Tutera. “My goal is to bring fashion in bridal to a place it truly deserves to be. Grooms have Bespoke for their fashion where they can have custom suits created for them. Now, the David Tutera Bridal line gives brides a MADE TO ORDER gown. I have always said.....the most important and special fashion a woman will wear in her life is her wedding gown. It's a magical moment and a moment that is surrounded by LOVE. Each wedding gown design has unique fabrics, textures, and details that embody LOVE, and romance and beauty. I have personally designed each gown, selected the fabrics, and researched to see what is needed in the world of weddings.”
