August 27, 2019 - POWAY, CA - (Investorideas.com Newswire and RenewableEnergyStocks.com) Solar Integrated Roofing Corporation (OTC PINK: SIRC) today announced that the company has signed a definitive agreement to acquire one of the most established roofing companies in San Diego.

David Massey, CEO of Integrated Solar, commented, "This acquisition will provide a strong foundation to our strategy to "roll-up" solar/roofing companies in the Southern California market. In addition to the \$5 million per year revenue stream, the company has a valuable database of present and past clients to whom we can cross-market our solar solutions.

Massey went on to say, "the demand for electrical usage in Southern Cal has put a huge stress on the electrical grid. We are providing a solution to those electrical needs to our customers through our affordable solar solutions."
