

Idaho Mesothelioma Victims Center Now Appeals To A Navy Veteran or Person With Mesothelioma in Idaho To Call Them For Direct Access to Famed Attorney Erik Karst of Karst von Oiste to Discuss Getting Better Compensation

BOISE , IDAHO, USA, October 14, 2019 /EINPresswire.com/ -- The Idaho Mesothelioma Victims Center says, "We are appealing to a Navy Veteran or person with mesothelioma anywhere in Idaho or their family members to call us anytime at 800-714-0303 for direct access to attorney Erik Karst the founding partner of the law firm Karst von Oiste. Attorney Erik Karst and his partner Doug von Oiste have recovered over a billion dollars in mesothelioma and asbestos exposure compensation settlements and Erik will most certainly be able to assist a Navy Veteran or person with mesothelioma in Idaho." www.karstvoniste.com/

The Idaho Mesothelioma Victims Center does not want a Navy Veteran or person with mesothelioma anywhere in Idaho to play lawyer roulette with their potential financial compensation and in doing so put at risk their compensation claim. The group recently caught a law firm cheating a widow of a person with mesothelioma by billing her for a 'conference' in Las Vegas, and other ridiculous expenses (in the tens of thousands).

The group says, "We have endorsed the law firm of Karst von Oiste and their founding partner Erik Karst because they do not overcharge their clients and they work overtime to ensure their clients receive the best possible compensation results as we'd like to discuss at 800-714-0303. We also are offering to work with a Navy Veteran with how, when and where they were exposed to asbestos-in a service we call the list. The 'list' documents the how, when and where a person was exposed to asbestos and it is vital information because it is these facts that become the basis for a mesothelioma compensation claim. This service is free." <https://Idaho.MesotheliomaVictimsCenter.Com>

For the best possible mesothelioma treatment options in Idaho the Idaho Mesothelioma Victims Center strongly recommends the following health care facility with the offer to help a diagnosed victim, or their family get to the right physicians at this hospital:

* St. Luke's Mountain States Tumor Institute Boise, Idaho:

The Idaho Mesothelioma Victims Center would like to emphasize theirs is a statewide initiative available to a diagnosed victim anywhere in Idaho including communities such as Boise, Nampa, Meridian, Idaho Falls, Pocatello, Coeur d'Alene, Twin Falls, or Lewiston. www.karstvonoste.com/

High-risk work groups for exposure to asbestos in Idaho include US Navy Veterans, miners, power workers, manufacturing workers, workers at the Mountain Home Air Force Base, US Naval Research Laboratory, smelter workers in the Silver Valley, plumbers, electricians, auto mechanics, machinists, or construction workers. <https://Idaho.MesotheliomaVictimsCenter.Com>
