

Vendors from South Carolina and Texas Join HOAManagement (.com)

HOAManagement (.com) expands its directory by adding several local and nationwide community vendors.

CHEYENNE, WYOMING, UNITED STATES, September 4, 2019
/EINPresswire.com/ --

HOAManagement (.com), a comprehensive directory of [community association management companies](#) and vendors, has added new company profiles from Texas and the Carolinas. These vendors include:

ProTecht Solutions Partners, LLC conducts security assessments using Crime Prevention Through Environmental Design (CPTED) techniques to create a safe neighborhood through a combination of physical security devices along with using natural surveillance and lighting suggestions. They have the ability to work with HOA Boards in both North and South Carolina and specialize in helping provide [HOA security systems](#).

LJA Engineering is a premier engineering firm in Texas who provide high quality, innovative, and cost-effective [engineering services for HOAs and condominiums](#). LJA is organized around six sectors: Land Development, Public Infrastructure, Energy Services, Environmental & Coastal, Rail Services, and Surveying.

Ultimate Outdoor Entertainment has provided inflatable movie screens across the United States since 2008 and has expanded to offer even more fun options for specific events. With its national headquarters located in Texas, UOE offers a touch of local service with local equipment and technicians in all locations.

HOAManagement (.com) continues to grow its directory, giving communities an easy way to search for and communicate with national community association vendors. They plan to add more vendors and HOA management companies in the future.

About HOAManagement (.com): As the first online directory serving the HOA property management industry and HOA Vendors, HOAManagement (.com) has connected thousands of associations with management companies and vendors in their local area and has provided helpful tools and literature for board members and managers alike. In an industry where over \$40 billion per year is spent on maintaining and repairing properties nationwide, HOAManagement (.com) is the number one destination for board members to find qualified property management companies and HOA vendors for their community. They rank in top search results for over 500 keywords related to the community association industry. Their mission has always been to continue building their massive following of HOA volunteers and managers across the United States.
