Citytv is one of Canada's main networks. Besides being available over-the-air locally, Citytv Montreal is available nationally via satellite and digital cable.

Born and raised in Montreal, Citytv Breakfast Television host Joanne Vrakas is a staple of Montreal broadcasting. After studying journalism and law, Joanne worked her way up from community television to hosting at MusiquePlus, then making her way to reporting for CBC radio and television news.

In 2013, when Citytv launched in Montreal, Joanne was asked to join the station as lead anchor and host at Breakfast Television Montreal. Her passion for story telling has led her to travel the world interviewing politicians, community leaders, actors, musicians, and everything in between.

About GlobeX Data Ltd.

Forward Looking Information

This news release contains certain forward-looking information within the meaning of applicable Canadian securities laws ("forward-looking statements"). All statements other than statements of present or historical fact are forward-looking statements. Forward-looking statements are often, but not always, identified by the use of words such as "anticipate", "achieve", "could", "believe", "plan", "intend", "objective", "continuous", "ongoing", "estimate", "outlook", "expect", "project" and similar words, including negatives thereof, suggesting future outcomes or that certain events or conditions "may" or "will" occur. These statements are only predictions. These statements reflect management's current estimates, beliefs, intentions and expectations; they are not guarantees of future performance. GlobeX cautions that all forward-looking statements are inherently uncertain and that actual performance may be affected by a number of material factors, many of which are beyond GlobeX's control. Such factors include, among other things: risks and uncertainties relating to the future of the Company's business; the success of marketing and sales efforts of the Company; the projections prepared in house and projections delivered by channel partners; the Company's ability to complete the necessary software updates; increases in sales as a result of investments software development technology; consumer interest in the Products; future sales plans and strategies; reliance on large channel partners and expectations of renewals to ongoing agreements with these partners; anticipated events and trends; the economy and other future conditions; and other risks and uncertainties, including those described in GlobeX's prospectus dated May 8, 2019 filed with the Canadian Securities Administrators and available on www.sedar.com. Accordingly, actual and future events, conditions and results may differ materially from the estimates, beliefs, intentions and expectations expressed or implied in the forward-looking information. Except as required under applicable securities legislation, GlobeX undertakes no obligation to publicly update or revise forward-looking information.
