

Dental Implants in Reading Making Fuller Smiles a Reality

A single dental implant from Affordable Dental Solutions costs only \$2,000.

READING, PA, UNITED STATES, September 10, 2019 /EINPresswire.com/ -- Affordable [dental implants in Reading](#) are available from Affordable Dental Solutions. With five locations throughout Pennsylvania, ADS dentists have helped thousands of patients achieve fuller, healthier, and happier smiles.

A single dental implant from ADS costs only \$2,000 and includes both the abutment and the crown. The natural appearance of dental implants is one of the reasons why the treatment has become one of the most popular dental procedures currently available.

ADS also offers dentures. Full dentures cost only \$650 per arch and partial dentures cost only \$750 per arch. Implant-retained dentures are available for \$2,999 when two dental implants are added their existing lower dentures.

“During a free consultation, we’ll meet with patients, take x-rays, and go over a treatment plan,” explains Dr. Kerri Ann Swan, [dentist in Reading](#). “Patients leave our office knowing just how we intend to help them smile again.”
