

Budget Home Supply Earns Reputation as Northern Colorado's Largest Composite Deck Dealer

Budget Home Supply, a home improvement store serving Longmont, Colorado, has claimed the title of Northern Colorado's largest composite deck dealer.

LONGMONT, CO, USA, September 4, 2019 /EINPresswire.com/ -- [Budget Home Supply](#) Earns Reputation as Northern Colorado's Largest Composite Deck Dealer

Budget Home Supply, a home improvement store serving the builder community in Longmont, Colorado, has claimed the title of Northern Colorado's largest composite deck dealer.

This accomplishment is made possible through personalized design work and partnership with several reputable suppliers that offer premium decking materials. Budget Home Supply works with builders and homeowners to create customized decks that are unique and provide beautiful spaces for relaxation and entertaining.

Benefits of Composite Decks

Composite decks have many benefits for homeowners in the Longmont area, with their low-maintenance feature topping the list. When installed properly, these decks require very little care on the part of the homeowner. For those with dual careers, this is a huge benefit. Composite decks are a good value for the money. They're durable and long-lasting too. Modern composite decking materials mimic the look of real wood so well that it's often hard to tell the difference, and the various styles that are available allow builders and homeowners to be as creative as they want with the design and features of the deck.

Personalized Design Services

Budget Home Supply offers customized design services that turn any deck idea into reality. From a sketch on a napkin to an official blueprint, their designers work with each builder or homeowner to determine their vision, taking into account space restrictions, the shape of the yard, the purpose of the deck, and budget limitations. The result is a one-of-a-kind deck design that complements the home, fits well within the backyard space, and provides hours of enjoyment for the homeowner.

High-Quality Materials from Trusted Suppliers

Budget Home Supply offers a variety of high-quality decking materials and components to builders throughout Northern Colorado. The products sold by Budget Home Supply are widely recognized as some of the best on the market and have become proven solutions for many home builders in the area. Budget Home Supply features decking products from the following suppliers:

□ TimberTech®

□ EverGrain®

□ Eiberon®

□ Trex[®]
□ Azek
□ Deckorators
□ Eortess

The company also sells fasteners, straps, ties, and other connectors from Simpson Strong-Tie[®]. These connectors help reinforce the safety and durability of the deck or other home improvement project.
