Car clubs from all over New Jersey, Staten Island, New York State, Connecticut, Pennsylvania and Delaware will be represented at the show, according to Ralph Miranda, president of the Raritan Bay Cruisers. The Cruisers are co-hosting the event.

“The first year we exhibited the show, we had 25 cars,” Mr. Miranda recalled. “Last year, it rained

and we still had about 200 cars turn out. Every year the number of cars has been growing. Once again, a famous Batmobile, which was featured in movies and television shows about the Dark Knight, will be on display.”

The City-by-the-Bay’s Classic Car Show is paying tribute to magnificent, American-made automobiles. Car buffs can see huge autos with big fins, which were inspired by the nation’s mid-century fascination with the space program. Many cars have loads of gleaming chrome, plenty of custom details and luxurious interiors with couch-sized, front and rear seats. All are powered by gigantic V-8 engines.

To help recreate the car cruising experience, Richie the DJ is bringing a huge library of classic Rock ‘n’ Roll hits by top performers from the period. In addition to all the cars and music, there will be food vendors as well as merchants selling automobile memorabilia, equipment and clothing.

The Classic Car Show concludes with Mayor Diaz and members of the Raritan Bay Cruisers presenting 65 single- and double-post trophies to owners of the most exceptional autos.

Plenty custom hot rods, muscle cars and grand sedans will be on display in historic City Hall Circle.

Members of the Raritan Bay Cruisers are organizing the City-by-the-Bay's Classic Car Show.
