Top players of the industry

The major players of the industry decide the fate of the industry's success ladder. The manufacturers play an important role in facilitating a product. Without investment options, the products face backlashes at periodic intervals. Companies or manufacturers like Lego, Dalber, Hasbro, Auldey, A Little Lovely Company, Aloka Sleepy Lights, MATTEL, ZAZU and Sanrio are leading numbers in children's lighting industry. The manufacturers foster the plans of the product so that it gets its publicity as it should be in the right way. A market can only grow when it has the appropriate backing.
