

Contempo and Lorain County Community College to Offer Online Entrepreneurial Education Badges Insights, Advice & Tactics

Female Entrepreneur Summit Attendees Offered Discounted Registration

CLEVELAND , OHIO, UNITED STATES , September 10, 2019 /EINPresswire.com/ -- [Contempo Design + Communications](#) and [Lorain County Community College](#) (LCCC) are partnering to launch an original learning series for entrepreneurs. Three courses will be available beginning in January 2020—"The Go-Getters Guide to Business Planning," "Essential Ingredients for Work/Life Balance" and "Five Legal Traps to Avoid." "From a scalable startup to a small lifestyle business, strategic planning, time management and legal fundamentals are important when beginning any venture," says LCCC President Marcia Ballinger. Ballinger believes the flexibility of the college-developed Canvas courses will be appealing for busy founders. "Everyone's schedules are hectic, but that's even more true when you're starting a new business, so we wanted to give time-starved entrepreneurs looking for guidance a trusted resource they can access online when it's most convenient for them."

Dolan understands the value of connecting entrepreneurs to the advisors and resources they need. “I’m so thrilled and honored to be partnering with LCCC President Marcia Ballinger and the College on this continued education initiative for entrepreneurs,” says DeLuca Dolan, acknowledging this suite of offerings fits in with her larger vision for expanding access to much-needed entrepreneurial resources. “This certification evolved from an idea I had following last year’s FES event; I know I would have benefitted from programs like this when I started my business.”

To celebrate the rollout of the new program, DeLuca Dolan and LCCC are offering FES 2019 (Wednesday, October 23, 8 a.m. – 4:30 p.m.) attendees the opportunity to register at a discount of \$20 per course OR a bundle price of \$150 when they sign up for all three—a savings of 37 percent. A day-of FES drawing will give two Summit attendees complimentary class bundles and the chance to earn Certificates of Leadership Initiative for Enrichment (LIFE).
