

BAY GARDENS BEACH RESORT & SPA UNVEILING MODERN ROOM UPGRADES

SAINT LUCIA, WISCONSIN, USA,
September 9, 2019 /EINPresswire.com/
-- One of St. Lucia's leading family-
friendly resorts has completed 80
percent of a major renovation process,
presenting a fresh, modern and
functional look for its new and repeat
visitors.

Waltrude Patrick, General Manager of
the 78-room Bay Gardens Beach
Resort & Spa, announced that all 18
garden view, all 24 beachfront, and 20
pool view rooms have already been
completely refurbished, with the
remaining 16 pool view rooms to be
finished in time for the start of the
peak winter season in December.

Patrick reported that room upgrades
include comfortable furniture and
fittings in pastel colors (turquoise,
lagoon, capri and rose oak) as well as
new Wi-Fi-enabled Samsung and LG
smart televisions. New stainless steel
kitchen appliances have also been
installed in the one-bedroom
beachfront suites.

The general manager explained that
the primary reason for the
refurbishment is to satisfy the 80
percent of guests who return to the
hotel. One of them, Sephton Spence, a
real estate developer from Toronto,
asserted that the friendly staff, great
service and safe environment keep him
returning, and now he has another
reason. "I love the decor ... (the rooms)
look alive (and) more modern," he remarked.

Menus have been upgraded at both the Hi Tide and SeaGrapes restaurants, while beginning this month, La Mer Spa, in collaboration with the TripAdvisor top-rated Ojas Spa and Wellness, is introducing Ayurveda therapy as part of its health and wellness package.

The family-owned business launched its upmarket Waters Edge Villas earlier this year, and in
