

14 Islands Of The Bahamas are ready to welcome visitors with open arms

NASSAU, BAHAMAS, September 9, 2019 /EINPresswire.com/ -- The Islands Of The Bahamas is an archipelago with more than 700 islands and thousands of cays spread out over 100,000 square miles of ocean, starting just 50 miles south east of the coast of Florida. While the country grieves the devastation Hurricane Dorian brought upon two of the most northern islands, Grand Bahama and The Abacos, there is a silver lining. The majority of The Bahamas, including 14 of the most commonly visited islands, remains unaffected by the storm. The warm and friendly people of The Bahamas, along with hotel and travel partners, from Bimini to Nassau and Paradise Island, The Exumas to Inagua, are ready to welcome travelers with open arms.
