

Foam swab manufacturer Super Brush will exhibit in booth #229 at Medical Technology Ireland September 25-26 in Galway

The Super Brush team will be located on the second floor at booth #229 to answer any questions about foam swab technology.

SPRINGFIELD, MA, UNITED STATES, September 10, 2019 / EINPresswire.com/ -- US based company, Super Brush LLC, specializes in the design, development, and manufacturing of foam swabs and applicators. With over 65 years of experience in manufacturing, Super Brush is the technology leader in foam swab development.

“Face to face meetings with manufacturers and product developers are critical in the current, fast-paced, and ever-changing arena of global supply,” said Misty McGinnes, General Manager, Super Brush LLC.

“Although Super Brush has been serving this industry for decades, Medical Technology Ireland is a perfect opportunity to demonstrate the value a US manufacturer of innovative, precision cleaning products can provide.”

Super Brush will be showcasing foam swabs for device assembly operations, swabs for inclusion in medical kits and trays, and swabs for cleaning electronics and printers.

“
