ComplianceLine*

[ComplianceLine](#), the premier provider of ethics and [compliance solutions](#) for over 20 years, announced today that it will be exhibiting at the 18th Annual Compliance & Ethics Institute 2019 on September 15 – 18, in National Harbor, MD

SCCE’s annual Compliance & Ethics Institute is the primary educational and networking event for compliance professionals across all industries around the world. Each year we host more than 1,600 attendees from 40 countries.

Leading industry experts cover real world compliance issues, emerging trends, and practical applications. Learn

about current hot topics such as global antitrust compliance, Office of Foreign Assets Control (OFAC) sanctions, artificial intelligence, and preventing harassment and discrimination.

“ComplianceLine has a longstanding commitment to giving companies and leaders with high standards of ethics and performance the tools they need to find and address fraud and other misbehavior,” said Co CEO and Chief Development Officer Giovanni Gallo. “As a coordinator of reports for over 4 million employees and the leaders who serve them, ComplianceLine has a unique perspective on the growing need for compliance professionals to protect employees and corporate reputations. Our team is enthusiastic about the opportunity to connect with and support the high caliber professionals who attend the SCCE,” added Gallo.

SCCE’s annual Compliance & Ethics Institute also features an exhibit hall, where more than 50 vendors will showcase the latest products and services to support compliance professionals with the visibility into what’s going on in their organization and clarity on what to do about it. ComplianceLine will be located at Booth # 338.

In addition to proper policies, oversight/data analysis, training, and the like, a strong transparency and reporting program is key to giving company leadership a head start on identifying and addressing fraud while reinforcing an ethical and compliant culture for all employees. As with so many things in the compliance and risk management space, the ‘good enough’ of yesteryear no longer cuts it. ComplianceLine stays at the cutting edge of flexible technology solutions and tailored expert services to give each hard working Fraud Fighter the tools, information, and power to make a positive difference in their world.
