PLATTSBURG, NY, September 11, 2019 — Stargaze Entertainment Group Inc. (Pink Sheets: [STGZ](#)), an entertainment production and distribution company, announced today its continued commitment to finalizing the development of its digital distribution platform and online entertainment center, STARFLIC.COM.

STARFLIC.COM is designed to be the digital distribution arm of STARGAZE ENTERTAINMENT GROUP INC and is set

up to distribute original content created and produced by the Company as well as content provided by other various producers and suppliers. This includes movies, television series and shows as well as music and digital games.

“Though we’ve had some major setbacks in the construction and development of STARFLIC.COM, I can happily say that we are now back on track and working diligently to complete this amazing digital platform with the goal to launch it in the early spring of 2020. In the meantime we are preparing STARFLIC.COM for beta testing which should take place during the first quarter of 2020”, announced Mr. Tony Green, President and CEO of STGZ. “Building the STARFLIC.COM platform has been a challenging endeavor. It has been a complex undertaking and much more time consuming than we had expected. But we are tirelessly working hard to iron out all the bugs so that when we do finally launch this innovative digital platform there will be no turning back. STARFLIC.COM will soon become a reality.”
