

# Wheat Protein Market 2019- Global Industry Analysis, By Key Players, Segmentation, Trends and Forecast By 2024

---

PUNE, MAHARASHTRA, INDIA, September 11, 2019 /EINPresswire.com/ -- Summary: A new market study, titled "Discover Global [Wheat Protein Market](#) Upcoming Trends, Growth Drivers and Challenges" has been featured on WiseGuyReports.

## Introduction

### Global Wheat Protein Market

According to a new report revealed by the online inventory of Wise Guys Reports (WGR), the world wheat protein market is set to grow at an increasing speed over the next few years. The global wheat protein market is estimated at USD 2.04 Billion in 2017 which is anticipated to reach to USD 2.58 Billion by 2022, at a compound annual growth rate (CAGR) of 4.8% from 2017. Wheat proteins are the proteins which are taken out from the wheat and the process of extracting protein undergoes many processes. The demand for wheat proteins has increased over the past few years and is anticipated to grow higher in the coming years as well. Due to increased obesity cases, consumers in the country look for healthier alternatives and wheat protein is the preferred choice among the population.
