

# The Inspiring Community Footprints Leader

NUSA DUA, BALI, INDONESIA, September 12, 2019 / EINPresswire.com/ -- [The Ritz-Carlton, Bali](#) is proud to announce that it has raised over USD\$16,000 for local community initiatives in the first half of 2019. As keen proponents of 'giving back', and active participants of [Community Footprints](#) - the brand-wide environmental and social responsibility program, the beachfront resort in Nusa Dua has recorded 1,243 staff volunteering for 43 events so far this year.

Leading the team is Okta Viandra, Assistant Director of Human Resources. A true champion of the Community Footprints Program, he unites the staff and drives community outreach programs, with activities ranging from fun runs to environmental initiatives to internship training programs for disadvantaged youth.

"There is an old saying, 'It is better to give than to receive.' Giving is an act of kindness, no matter how small the amount you have to donate, or how little time you have to give, it makes a difference for those in need," says Okta who volunteered to run the Community Footprints Program when the resort opened in 2014.
