Overview

The extensive use of syrup in food items and beverages has led to the rise in demand for syrups all across the world. Syrups constitute an essential element in beverages, soft drinks and food toppings all over the world. The demand is expected to continue for a considerable amount of time, and the market is expected to grow by leap and bound across the globe.

However, the excessive use of concentrated syrups in carbonated drinks has hurt the segment. As more and more people are trying to reduce their sugar intake, carbonated drinks have been severely affected. The companies have taken a note on this and are trying to cut as much of sugar possible.

The global syrup market hit a significant milestone in the year 2018. The industry is expected to grow at a compound annual growth rate of xx per cent for the next few years. The figures have excited investors all over the world who have been betting on the growth prospects of the industry.

For competitor segment, the report includes global key players of Syrups as well as some small players. At least 4 companies are included:

- * Aunt Jemima
- * Hershey
- * Sonoma Syrup
- * DaVinci Gourmet

For end use/application segment, this report focuses on the status and outlook for key applications. End users are also listed.

- * Beverage
- * Dairy & Frozen Dessert
- * Confectionery

- * Bakery
- * Others
