

Clearwater Community Volunteers Center offers a Cuddly afternoon to foster families for Teddy Bear Day

CLEARWATER, FLORIDA, US, September 12, 2019 /EINPresswire.com/ -- September 7th 2019, the Pinellas County Foster and Adoptive Parents Association celebrated National Teddy Bear Day in style at the [Clearwater Community Volunteers Center \(CCV\)](#). Over 50 foster families attended the event, where kids had the opportunity to pick a stuffed bear, dress it up and accessorized it.

“There are over 500 foster families in Pinellas County alone” said Dora Starling, President of the Pinellas County Foster and Adoptive Parents Association. “When I heard about the ‘Teddy Bear Day’ I thought about all of the foster kids that had to leave their belongings behind and some beloved stuffed animal. With this event we just wanted to help children get the comfort that a Teddy Bear can provide while bringing the whole family together to enjoy some fun time.”

On September 7th, 2019, the Pinellas County Foster and Adoptive Parents Association held a “Build a Bear” Teddy Bear Event at the Clearwater Community Volunteers Center in downtown Clearwater. The event was held in honor of National Teddy Bear Day.

“

Though no one is sure who actually founded Teddy Bear Day, there is no reason why children should not celebrate one of the most popular toys in the United States.”

Michael Soltero, Director of the CCV Center

“Though no one is sure who actually founded Teddy Bear Day,” said Michael Chevrot, the Director of the CCV Center, “there is no reason why children should not celebrate one of the most popular toys in the United States.”

The toy bears are named after President Theodore Roosevelt, who refused to shoot a small bear cub on a hunting trip. A famous political cartoon of the time

immortalized the event and an enterprising toy maker decided he would create the Teddy Bear.

The children enjoyed selecting and dressing their new bears.
