About Neon Evolution:

Neon Evolution is creating a futuristic Universe of virtual beings who embody pop culture, artistry and technology in a new form of entertainment. Their first characters, Aliza and Binxie arrived on Earth in May of 2019.

The company is the brain child of Brian Lee, Founder of the Honest Company with Jessica Alba, ShoeDazzle with Kim Kardashian, Legal Zoom, and most recently Art of Sport with Kobe Bryant.

About Aliza Rexx & Binxie:

Coming from their home planet of E88, the two aliens are here to make a cultural and creative impact while navigating human life on Earth. The two can hear something call-ing them from within AREA 51...something that no human can hear. They've assembled a mission to find out what or whom it is, and they know they can't go in alone. Strength is in numbers, even for Aliens.
