

# Indiana Mesothelioma Victims Center Now Urges a Navy Veteran or Person with Mesothelioma in Indiana to Call for Direct Access to Attorney Erik Karst of Karst von Oiste-Get Much Better Client Compensation Results

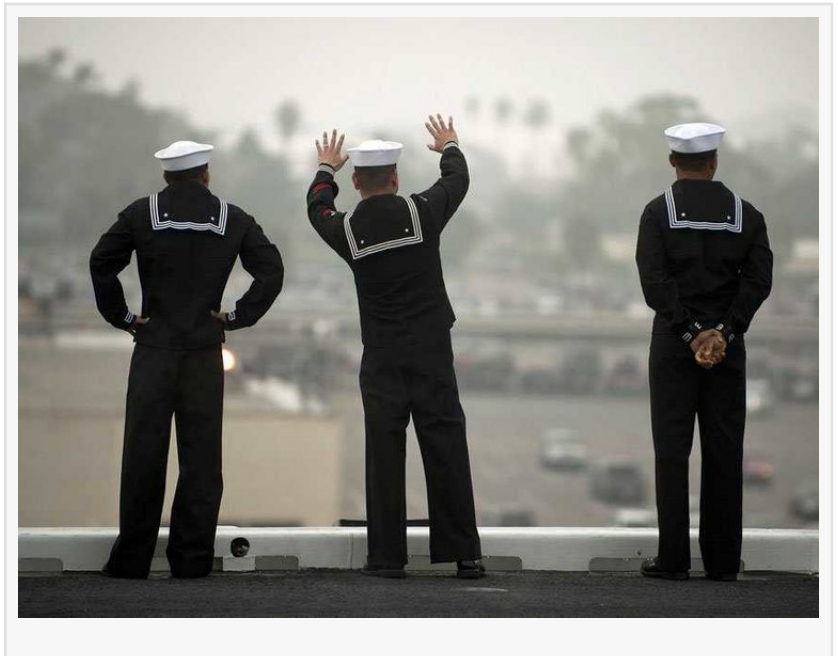

INDIANAPOLIS , INDIANA, USA, October 11, 2019 /EINPresswire.com/ -- The Indiana Mesothelioma Victims Center says, "Approximately one-third of all people diagnosed with mesothelioma in the United States each year are Veterans of the US Navy. Navy Veterans with mesothelioma were probably exposed to asbestos while serving on a US Navy ship, submarine, or at a US Naval Shipyard. Frequently Navy Veterans with mesothelioma worked in a navy ship's engine room, as a machinist mate, welder, plumber, electrician, maintenance technician, or as a damage control technician. These types of US Navy Veterans typically had the most exposure to asbestos. There are tens of thousands of US Navy Veterans in Indiana.

"Compensation for Navy Veteran in Indiana like this can frequently exceed one million dollars as we would like to discuss anytime at 800-714-0303. To receive the best possible mesothelioma financial compensation, it is vital the Navy Veteran be represented by some of the nation's most skilled and capable mesothelioma attorneys. We have endorsed the law firm of Karst von Oiste to assist a Navy Veteran with mesothelioma in Indiana because they consistently get the best possible compensation results.

"We offer direct access to attorney Erik Karst the founding partner of the law firm of Karst von Oiste to a Navy Veteran or person with mesothelioma in Indiana-because we know he will be more informative than a 'free' book about mesothelioma as we would be happy to discuss anytime at 800-714-0303." The Indiana Mesothelioma Victims Center is now offering a new service to a Navy Veteran or person with mesothelioma in Indiana they call the-list. The 'list' documents how, where and when a person with mesothelioma was exposed to asbestos and as the group would like to discuss-"It is how, where and when a person with mesothelioma was exposed to asbestos that becomes the foundation for a mesothelioma compensation claim and we help create this documentation by working directly with the person with mesothelioma and their family. This service is free as we would like to discuss anytime at 800-714-0303." <https://Indiana.MesotheliomaVictimsCenter.Com>

“

"It is how, where and when a person with mesothelioma was exposed to asbestos that becomes the foundation for a mesothelioma compensation claim and we help create this documentation-for free."

*Indiana Mesothelioma Victims Center*

The Indiana Mesothelioma Victims Center's unsurpassed services for diagnosed people with mesothelioma in Indiana is a statewide initiative and available to a diagnosed person with mesothelioma in communities such as Indianapolis, Fort Wayne, Evansville, South Bend, Hammond, or Bloomington. [www.karstvonoiste.com/](http://www.karstvonoiste.com/)

Mesothelioma is caused by exposure to asbestos. High-risk work groups for exposure to asbestos in Indiana include US Navy Veterans, power plant workers, oil refinery

workers, steel mill workers, manufacturing, or industrial workers, plumbers, electricians, auto mechanics, machinists, or construction workers. In most instances, the diagnosed person's exposure to asbestos occurred in the 1950's, 1960's, 1970's, or 1980's. [www.karstvonoiste.com](http://www.karstvonoiste.com)

For the best possible mesothelioma treatment options in Indiana the Indiana Mesothelioma Victims Center strongly recommends the following health care facility with the offer to help a diagnosed victim, or their family get to the right physicians at this hospital: Purdue University Center for Cancer Research West Lafayette, Indiana: <https://www.cancerresearch.purdue.edu/>

The states indicated with the highest incidence of mesothelioma include Maine, Massachusetts, Connecticut, Maryland, New Jersey, Pennsylvania, Ohio, West Virginia, Virginia, Michigan, Illinois, Minnesota, Louisiana, Washington, and Oregon. Mesothelioma also happens in Indiana as the Center would like to explain anytime at 800-714-0303. <https://Indiana.MesotheliomaVictimsCenter.Com>

For more information about mesothelioma please refer to the National Institutes of Health's web site related to this rare form of cancer:
