

Only two weeks left until the Biobanking 2019 Conference in London

SMI Reports: SMI's 9th annual Biobanking Conference will take place at the Copthorne Tara Hotel, London, on the 25th - 26th September 2019.

LONDON, UNITED KINGDOM,
September 16, 2019 /

EINPresswire.com/ -- There is only two weeks left until the two-day event, which will commence on 25th- 26th September in London. The conference has a full line-up of ground-breaking speakers who will cover key topics within [Biobanking](#).

For those who are interested in attending to network and benefit from industry experts, you can secure your seats at www.biobanking-event.com/einpr7

Day-One Snapshot of speakers:

'A case study of [Biobank](#) as, a [Biorepository](#) focused on Non-Human Biosamples'

- Our definition of a biobank: BioBank AS as a tool for breeding animals, fish and plants
- Our market: BioBank's customer structure

Dr. Sigbjorn Gregusson, Managing Director, BioBank AS

'Regulatory hurdles to accessing biobanking for research, the implications, the workaround and possible improvements for regulators'

- Why is transparency needed between biobanks through biosharing to prevent wastage of investigation resources
- Learn of the different biobanks business models with higher or lower upfront funding of biobanks and their long-term strategy and sustainability, which is more applicable to your biobank

Dr. Joanna Baxter, Lead Scientist, Cambridge Blood and Stem Cell Biobank

Day-Two Snapshot of speakers:

'Human Pluripotent Stem Cells: Paving the way for clinical applications'

- Discover the latest innovative concepts on Stem Cells Biobanking
- How important are stem cells quality controls
- Methods to personalising iPS Banking
- Banking of clinical grade human Pluripotent Stem Cells

Sofia Spyrou, Project Manager, UK Stem Cell Bank

Increasing Utilisation of Ukrainian Biobanks by researchers to increase their significances

- Case study to learn how to drive collaborations between biobanks and researchers
- The challenges and successes for Ukraine Association of Biobank
- The business model adapted by the Ukrainian biobank at a national level

Dr. Svetlana Gramatiuk, President and medical director Ukraine Association of Biobank, Ukraine Association of Biobank
