

# Registrations open for the 13th Annual Border Security Conference

*SMI Reports: The 13th Border Security Conference to take place on 11th- 12th February 2020 in Rome, Italy*

ROME, SOUTHWARK, ITALY, September 16, 2019 /EINPresswire.com/ -- SMI is proud to present the 13th Annual [Border Security Conference](http://www.bordersec-conference.com) commencing on [11th-12th February 2020](http://www.bordersec-conference.com) in Rome, Italy. The event will discuss topics involving political strategies to secure land, air and sea borders in response to growing global threats. It will involve a whole array of leading governmental figures from across the globe to provide real insight and learning experiences on current content.

Along with industry leaders presenting at the event, the Border Security Conference will explore the latest technological advancements in the field of biometrics and seamless travel for autonomous border controls with representatives from Miami International Airport and Lufthansa and many more. The event will emphasize international perspective with representation from global/regional organisations.

For those interested in attending, an [early bird discount](http://www.bordersec-conference.com/ein1) of £400 for bookings made by 31st October is available online at [www.bordersec-conference.com/ein1](http://www.bordersec-conference.com/ein1)

Key focuses Include:

- Automated International Border Control Systems and Associated technologies (AI etc.)
- Mitigating European Refugee and Migrant Crisis/Protection of EU External Borders
- International Cooperation, Information sharing and Communication on countering cross border threats
- Security Management Systems (SeMS) in Aviation Security
- Biometrics/vs Biometric Free border controls
- Preventing the use of fraudulent documentation

Benefits of attending:

- Listen to exclusive briefings from the United States Border Patrol (DHS), Office of Biometric
