San Diego, CA & (September 18, 2019) – CohuHD Costar: Known for Rugged HD Camera Systems for Powerful Surveillance has made the “annual listing of 10 companies that are at the forefront of providing Homeland Security solutions for the government sector and impacting the marketplace” in 2019.

“We are thrilled to be recognized by GovCIO as a Top Ten Homeland Security Solution Provider for 2019 and to be featured on the cover of this year’s Homeland Security Edition. With the right equipment, one can see it all. CohuHD Costar is a pioneer in this sector with its range of high-end ruggedized security cameras that can carry out robust surveillance in the harshest of environments,” said Doug Means, Senior VP and GM of CohuHD Costar. Our strategy is to work with system integrators and major defense contractors who provide an overall solution.

CohuHD Costar provides one of the most advanced HD [long-range surveillance](#) capabilities in the market today. They are also widely known for its hallmarks of High-quality video, Rugged design, Interoperability, Flexible installation, and Seamless operation. The company’s award-winning [RISE](#) (Rugged Innovation with Superior Endurance) series of video camera systems combine HD resolution sensors with powerful HD zoom optics which offers the ability for clients to see at greater distances with higher clarity. Innovation and continually investing in features such as night vision, video analytics and H.265 will continue to propel CohuHD Costar to the forefront of delivering the most innovative products and technologies.

“It’s a great honor to announce CohuHD Costar as one of the Top 10 Homeland Security Solution Providers - 2019,” said Becky Graham, Managing Editor of Government CIO Outlook. “The company stands out amongst a very strong field of vendors for its advanced, rugged solutions.”
