“

If you take dung and then carve this into the image of a woman, a heavenly goddess, or a Buddha, when it is burned, it would still give off no other fragrance but the stink of dung”

Even if one were to then carve this into the image of a woman, a heavenly

goddess, or a Buddha, when it is burned, it would still give off no other fragrance but the stink of dung."

Soul Singer James Brown Brown had a song called "open up the door its too Funky in here." Elmore an Independent Black Buddhist had an association with the "Facebook Black Buddhist Society." Without notice the group influenced by Myokei Shonin shut the door on Elmore. With no warning the group shut Elmore out of the group. In the words of the Black Community the group "Got Funky with Elmore.
