

EZ Mold Inspections Now Provides Asbestos and Mold Testing in Temecula and Murrieta

EZ Mold Inspections expands its service area to Temecula, CA. The inspection company now provides asbestos and mold testing services in Murrieta and Temecula.

MURRIETA, CA, UNITED STATES, September 23, 2019 / EINPresswire.com/ -- EZ Mold Inspections announces an expanded service area and adds [Temecula, CA](#). Now the inspection company serves Murrieta and Temecula with [asbestos and mold testing services](#). The company plans to further expand its service area to nearby cities in Riverside County.

The city of Temecula was incorporated in 1989, and this year Temecula celebrates its 30th year as an incorporated city in California. According to the U.S. Census Bureau, Temecula's population has grown to over 100,000 people with over 30,000 households and approximately 64% of residents are homeowners.

The city is a tourist and resort destination. Temecula is known for its award-winning wineries, championship golf courses, hot air balloon rides and of course, Old Town Temecula. Other points of interest include the Temecula Valley Wine Country, the Temecula Valley Balloon & Wine Festival, and the Temecula Valley International Film Festival.

“

Temecula is a wonderful city, and we look forward to helping the community through asbestos and mold testing services.”

Robert Armstrong

“We look forward to providing honest answers about mold and asbestos to homeowners and residents in Temecula,” stated Robert Armstrong, owner and inspector of EZ Mold Inspections. “Temecula is a wonderful city, and we look forward to helping the community through asbestos and mold testing services.”

Robert Armstrong is the principal mold and asbestos inspector and has more than two decades of experience

inspecting residential properties and real estate. He has served Southern California communities for more than two decades through his prior home and mold inspection companies. Now Mr. Armstrong brings his extensive experience and deep insights to serve Temecula, CA.
