

Last Minute Federal Fiscal Year Tech Purchases Available 24/7 from ITsavvy

ITSavvy just announced it is extending sales and service hours to accommodate the effective close of the federal fiscal year Sept. 30.

ADDISON, ILL., U.S., September 21, 2019 /EINPresswire.com/ -- [ITSavvy](#), one of the fastest growing public sector technology providers, just announced it is extending sales and service hours to accommodate the effective close of the federal fiscal year Sept. 30.

Organizations can take advantage of just in time service for purchases involving funds that need to be obligated by that date.

Current ITSavvy clients with an account can order directly from the ITSavvy website. Others can apply for an account online and initiate the streamlined verification process.

ITSavvy President and CEO Mike Theriault said, "Despite even the best planning, unforeseen circumstances often necessitate a last minute tech buy. We are prepared to fulfill these orders and the other unique procurement requirements of public sector clients throughout the year."

In addition to outstanding client service, ITSavvy is best known for unparalleled product selection and fast shipping--access to more than 2,000,000 products in nearly 50 distribution centers. The company offers certified expertise in Managed Services, Engineered Solutions, Cloud Solutions and Unified Communications.

ITSavvy maintains a vendor-neutral approach and is certified with all leading IT manufacturers. This allows the seamless integration of state-of-the-art technologies with legacy technologies for greater ROI.
