Isle of Arran Distillers

The bottle blended scotch whisky segment accounted for the major shares and dominated this market. Factors such as the consumers' belief in using premium products to enhance their social status will contribute to the growth of this industry segment in the coming years. As a result, manufacturers are using product features such as authenticity, heritage, age, and quality to distinguish their products from competitors' products, which in turn, will aid in building a unique brand image to attract consumers.
