

Global 3D Magnetic Sensor Market Report 2019 by Technology, Future Trends, Opportunities, Top Key Players and more...

A new market study, titled "Global 3D Magnetic Sensor Market Professional Survey Report 2019", has been featured on WiseGuyReports.

PUNE, MAHARASTRA, INDIA, September 23, 2019 /EINPresswire.com/ -- <u>3D Magnetic Sensor Market</u>

3D magnetic sensor is a sensor that can detect magnetic signals in X, Y, and, Z directions. The AK09970N supports wide measurement range with high resolution in 3D detection and captures magnetic fields in 3-dimensions. The sensor family is ideally suited for the measurement of three-dimensional movement within a magnetic field, linear slide movement as well as 360° angle rotation.

The semiconductor manufacturing technology has facilitated the production of huge quantity of cost-effective sensors for high valued applications such as industrial motors, mid-level automobile segment, and low-cost consumer electronic segment. The 3D sensors provide various advantages such as high-performance, low implementation, and maintenance cost, in addition to, no requirement for the microfabrication of the magnetic material will contribute to the growing demand for the 3D sensors

The following manufacturers are covered: Infineon Technologies
Allegro MicroSystems
NXP Semiconductors
STMicroelectronics
Analog Devices
Asahi Kasei
Bosch
Honeywell International
Micronas Semiconductor

This report focuses on 3D Magnetic Sensor volume and value at global level, regional level and company level. From a global perspective, this report represents overall 3D Magnetic Sensor market size by analyzing historical data and future prospect.

Segment by Regions North America Europe China Japan Southeast Asia India Regionally, this report categorizes the production, apparent consumption, export and import of 3D Magnetic Sensor in North America, Europe, China, Japan, Southeast Asia and India. For each manufacturer covered, this report analyzes their 3D Magnetic Sensor manufacturing sites, capacity, production, ex-factory price, revenue and market share in global market.

Segment by Type Rotary 3D Magnetic Sensor Linear 3D Magnetic Sensor

Segment by Application Automobile Industrial Consumer Electronics

Table of Content:

- 1 Report Overview
- 2 Global Growth Trends
- 3 Market Share by Key Players
- 4 Breakdown Data by Type and Application
- 5 United States
- 6 Europe
- 7 China
- 8 Japan
- 9 Southeast Asia
- 10 India
- 11 Central & South America
- 12 International Players Profiles
- 13 Market Forecast 2019-2025
- 14 Analyst's Viewpoints/Conclusions
- 15 Appendix
